HISTORY IN THE MAKING
LET OUR SPACE INSPIRE YOUR OWN HISTORY

A wedding has different needs than a meeting. A corporate retreat is not the same as a baby shower. At Angel Mounds State Historic Site, we have a variety of spaces that are suitable for a wide array of events.

Explore an ancient Indiana metropolis at Angel Mounds State Historic Site. A thousand years ago, southwest Indiana was home to a thriving community of Native Americans known as the Mississippians on the banks of the Ohio River. Archaeologists are uncovering the mysteries of these past inhabitants by combing over artifacts they left behind.

With beautiful views of the mounds and trees surrounding the property, the outdoor grounds are set up as a beautiful backdrop for your event. You and your guests can hike the trails, explore the interactive visitor center and orientate yourself with the history of the site, while creating your own! From the natural setting to Glenn A. Black's laboratory, you and your guests are sure to create new memories.
