HISTORY IN THE MAKING
LET OUR SPACE INSPIRE YOUR OWN HISTORY

A wedding has different needs than a meeting. A corporate retreat is not the same as a baby shower. At Whitewater Canal State Historic Site, we have a variety of spaces that are suitable for a wide array of events.

Metamora is a historic 1838 canal town nestled in the Whitewater Valley of Franklin County. It is a quaint town full of history and scenic beauty. The gazebo, located on the north side of the canal, is the perfect place for an outdoor wedding or a company picnic. It is a picturesque spot with a unique view of the Grist Mill and tumble falls.

There are many photo opportunities available on the site's property. Electricity is available, there are restrooms nearby, and parking is free. If you're looking for a truly unique spot to have a wedding, the Whitewater Canal State Historic Site is definitely a place you should consider.
