# STUDENT EXPLORATION GUIDE

Welcome to the Indiana State Museum! Use your exploration guide to draw or write your answers to the questions below. Share your observations and thoughts with your teacher and classmates.

I saw...

I saw...

It made me wonder...

It made me wonder...

My favorite object was...

I learned...

Why is it my favorite?

I wonder...

Questions to explore at school...

# OBJECT EXPLORATION

Pick ONE object or experience to explore further. It could be your favorite, or maybe it sparked questions. Or, it was the prettiest, the strangest, the funniest, or something you've never seen before.

Describe the object. Where is it?  
What does it look like?

Draw or sketch the object.

What is it made of? How was it made?

Who made it? Who used it?

I wonder...

I want others to know about this object because...
